III International Scientific Conference

**“SUSTAINABLE DEVELOPMENT OF POWER ENGINEERING OF THE
REPUBLIC OF BELARUS: STATE AND PROSPECTS”**

Minsk, Republic of Belarus

October 1 – 4, 2024

1st Communication

DEAR COLLEAGUES!

We invite you to take part in the III International Scientific Conference “Sustainable Development of Power Engineering of the Republic of Belarus: State and Prospects” that will take place October 1 – 4, 2024.

SCIENTIFIC DIRECTIONS OF THE CONFERENCE

- Methodological problems in assessing the sustainability of energy systems
- State and prospects for the development of renewable energy on a global and regional scale
- Present day problems and perspectives for the development of the energy system of the Republic of Belarus
- Renewable and nuclear energy as factors for increasing the power engineering development sustainability in the Republic of Belarus
- Technological, economic, environmental and social aspects of sustainable power engineering development in the Republic of Belarus
- Operation and development of energy systems
- Power engineering environmental issues
- International cooperation in the field of power engineering
- Energy security
- Foreign experience in the field of sustainable energy development
- Economic-legal regulation in power engineering
- Information technologies and mathematical modeling in power engineering.

The working languages of the conference are Russian, Belarusian and English.

IMPORTANT DATES

Submission of abstracts: March 10 – April 30

Confirmation of participation: until May 10

Submission of articles: May 11 – June 20

Registration deadline: September 5

The conference will be held: October 1 – 4

CONFERENCE CALENDAR

October 1: Registration of participants, opening of the conference

October 2 – 3: Working days of the conference

October 4: Visit to energy facilities, closing of the conference

ABSTRACTS

Abstracts are submitted electronically in either Belarusian or Russian or English to the conference email address conference@ipe.by with the subject line “Conference”. The volume of abstracts should not exceed 2 pages, typed in Times Roman or Times New Roman, font size 12, line spacing 1.

The organizing committee reserves the right to include the materials of the article presented as abstracts in the conference collection.

REGISTRATION

After receiving confirmation of acceptance of the abstracts submitted as part of the conference materials, conference participants are registered by filling out the electronic form: <https://forms.gle/jKfFQZ2Wyhs6hp1v7>

Both participation in the conference and publication of the collection are free.

PUBLICATION OF MATERIALS

The articles approved by the organizing committee and presented by the authors personally at one of the conference sections are accepted for publication in the conference proceedings.

The articles are submitted in either Belarusian, Russian or English in the format as follows:

- The recommended length of the article is 10 – 20 thousand characters (including spaces)
- Font is Times Roman or Times New Roman of 14 size and line spacing 1
- Paragraphs indent is 1.25 cm
- All page margins size is 2 cm
- Graphic materials - figures and tables - are numbered sequentially in Arabic numerals
- Drawings are presented in a form ready for printing, located in the place corresponding to the text and accompanied by a short signature at the bottom
- Table titles are located above tables
